

NOTICE

Burning Restrictions are in effect until further notice. For more information, contact the Little Falls Area Forestry Office at 320-232-1061.

This burning restriction is to protect the public, township fire wardens, and firefighters from increased exposure to COVID-19. All non-essential burning is suspended until further notice. If you feel you have an economic hardship due to this burning restriction please call the Little Falls Forestry office at the number above.

Campfires, outdoor charcoal grills, and camp stoves are still allowed.

Please help us reduce social contact and to keep first responders available to respond to all emergencies.

Thank you for your understanding!
