Kevin Olson, new owner of the Hayloft, was in attendance to apply for a liquor license. Mr. McCabe included in the updated packets a letter from the Stearns County Sheriff's Office in regards to Mr. Olson background check. Mr. McCabe suggested we approve the license and charge a pro-rated fee that allows this license to renew along with the other liquor licensed in July. Mr. Couri stated we issue to operator, not building owner.

A motion was made to approve the liquor license by Mr. Reinert, seconded by Mr. Zenzen. Motion carried unanimously.

Mr. Zenzen questioned what type of food would be served and also inquired about the charitable gambling. Mr. Olson indicated he was going to do chicken like the previous owner. He will stay away from charitable himself but will more than likely have pull tabs.

#2016-04, JOINT

Mr. McCabe presented the joint resolution and stated there isn't anything controversial in there. Mr. Reinert wondered about item number 2 and Mr. McCabe stated it was in response to Waite Park's current situation.

A motion was made to approve Resolution #2016-04 by Mr. Diehl, seconded by Ms. Schulzetenberg. Motion carried unanimously.

COUNCIL MEMBER

PURVIEW: Ms. Schulzetenberg wondered about the status of the windows. Mr. McCabe indicated the door side lights were installed and we were still awaiting the windows.

CITY ADMINISTRATOR

REPORT: Mr. McCabe indicated we have been in discussion with St. Cloud regarding 250th Street. They are still in the planning process and may know more next week. Mayor Kroll wondered if we don't do that, where would we focus our efforts this year. 53rd Avenue, Galaxy Road and Gaberdine Road were brought up as potential.

Mr. McCabe presented the section of the personnel policy related to sick and vacation time and asked for clarification. There was a discussion as to when the time is earned. Mr. Couri suggested we clarify what year January 1 is for new employees. He suggested an employee who started prior to July 1 is in year 2 as of Jan. 1. His second clarification is when you get your vacation, is it all given on January 1. The third clarification would be when can it be bought out.

Mayor Kroll also wants the personnel policy changed to reflect actual pay day.

Mr. McCabe stated audit will begin two weeks from today.

ADJOURMENT: **A motion was made to adjourn at 8:20 pm by Mr. Reinert seconded by Mr. Diehl. Meeting Adjourned.**

Approved this _____ day of March, 2016.

Truck

Replacement Report

February 19, 2016

***St. Augusta Fire Department
Truck
Replacement Report***

This document was made by the members of the St. Augusta fire department operations committee and approved by the department's chief. The intent of this document is to give the city of St. Augusta and the city council an estimated time schedule for the replacement of the fire and rescue vehicles that are currently in service. This document was put together in detail, professionalism, and to the best of knowledge. The committee understands that not all trucks can be replaced at one time, our committee hopes to get grants for as many of the trucks as possible, and to have a good working relationship with the city council.

FEMA

Cost Share Calculator 2015

In order to assist you with determining your organization's Local Cost Share for AFG Grants, a calculator and explanation of the formula is provided below. All applicants should ensure they are familiar with FEMA's administration of cost sharing requirements. Grantees are not required to have their cost share available when submitting the application. For additional information, refer to the Cost Share and Maintenance of Effort Requirements section of the Funding Opportunity Announcement (FOA).

Determine the Organization's Local Cost Share Percentage

Cost share requirements for AFG Grants are based on population. An eligible applicant seeking a grant to carry out an activity is required to provide non-federal funds to carry out the activity. In order to determine the Local Cost Share Percentage, use the guide below:

15% = When serving a jurisdiction of more than 1,000,000 residents, the applicant shall agree to provide non-federal funds in an amount equal to and not less than 15 percent of the grant awarded.

10% = When serving a jurisdiction of more than 20,000 residents, but not more than 1,000,000 residents, the applicant shall agree to provide non-federal funds in an amount equal to and not less than 10 percent of the grant awarded.

5% = When serving a jurisdiction of 20,000 residents or fewer, the applicant shall agree to provide non-federal funds in an amount equal to and not less than 5 percent of the grant awarded.

Once you have determined your Organization's Local Cost Share Percentage, use the formula below to determine the Organization's Local Cost Share.

Example Cost Share Calculation

Total Project Cost:	\$100,000.00
Local Cost Share Percentage:	15%
Federal Funding Assistance:	\$86,956.52
Local Cost Share:	\$13,043.48

Example Cost Share Formula

X = Federal Funding Assistance
 Y = Total Project Cost
 P = Local Cost Share Percentage
 $X + (P)(X) = Y$

X = Federal Funding Assistance
 Y = \$100,000
 P = 15%
 $X + (P)(X) = Y$
 $X = Y/1.15$

X = Federal Funding Assistance
 Y = \$100,000
 P = 15%
 $X = \$100,000/1.15$
 X = \$86,956
 Local Cost Share = \$13,044

Use the Calculator Below to Determine the Local Cost Share for your Organization

Total Project Cost:	\$ 100,000.00
Local Cost Share Percentage:	15.00%
<i>Example: For 15% enter .15 into the calculator, for 10% enter .10, for 5% enter .05</i>	
Federal Funding Assistance:	\$ 86,956.52
Local Cost Share:	\$ 13,043.48

**STATE OF MINNESOTA
JOINT POWERS AGREEMENT
AUTHORIZED AGENCY**

This agreement is between the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension ("BCA") and the City of St. Augusta on behalf of its Prosecuting Attorney ("Agency").

Recitals

Under Minn. Stat. § 471.59, the BCA and the Agency are empowered to engage in those agreements that are necessary to exercise their powers. Under Minn. Stat. § 299C.46 the BCA must provide a criminal justice data communications network to benefit authorized agencies in Minnesota. The Agency is authorized by law to utilize the criminal justice data communications network pursuant to the terms set out in this agreement. In addition, BCA either maintains repositories of data or has access to repositories of data that benefit authorized agencies in performing their duties. Agency wants to access these data in support of its official duties.

The purpose of this Agreement is to create a method by which the Agency has access to those systems and tools for which it has eligibility, and to memorialize the requirements to obtain access and the limitations on the access.

Agreement

1 Term of Agreement

- 1.1 **Effective date:** This Agreement is effective on the date the BCA obtains all required signatures under Minn. Stat. § 16C.05, subdivision 2.
- 1.2 **Expiration date:** This Agreement expires five years from the date it is effective.

2 Agreement between the Parties

2.1 General access. BCA agrees to provide Agency with access to the Minnesota Criminal Justice Data Communications Network (CJDN) and those systems and tools which the Agency is authorized by law to access via the CJDN for the purposes outlined in Minn. Stat. § 299C.46.

2.2 Methods of access.

The BCA offers three (3) methods of access to its systems and tools. The methods of access are:

A. **Direct access** occurs when individual users at the Agency use Agency's equipment to access the BCA's systems and tools. This is generally accomplished by an individual user entering a query into one of BCA's systems or tools.

B. **Indirect access** occurs when individual users at the Agency go to another Agency to obtain data and information from BCA's systems and tools. This method of access generally results in the Agency with indirect access obtaining the needed data and information in a physical format like a paper report.

C. **Computer-to-computer system interface** occurs when Agency's computer exchanges data and information with BCA's computer systems and tools using an interface. Without limitation, interface types include: state message switch, web services, enterprise service bus and message queuing.

For purposes of this Agreement, Agency employees or contractors may use any of these methods to use BCA's systems and tools as described in this Agreement. Agency will select a method of access and can change the methodology following the process in Clause 2.10.

2.3 Federal systems access. In addition, pursuant to 28 CFR §20.30-38 and Minn. Stat. §299C.58, BCA may provide Agency with access to the Federal Bureau of Investigation (FBI) National Crime Information Center.

2.4 Agency policies. Both the BCA and the FBI's Criminal Justice Information Systems (FBI-CJIS) have policies, regulations and laws on access, use, audit, dissemination, hit confirmation, logging, quality assurance, screening (pre-employment), security, timeliness, training, use of the system, and validation. Agency has created its own policies to ensure that Agency's employees and contractors comply with all applicable requirements. Agency ensures this compliance through appropriate enforcement. These BCA and FBI-CJIS policies and regulations, as amended and updated from time to time, are incorporated into this Agreement by reference. The policies are available at <https://app.dps.mn.gov/cjdn>.

2.5 Agency resources. To assist Agency in complying with the federal and state requirements on access to and use of the various systems and tools, information is available at <https://sps.x.state.mn.us/sites/bcaservicecatalog/default.aspx>. Additional information on appropriate use is found in the Minnesota Bureau of Criminal Apprehension Policy on Appropriate Use of Systems and Data available at <https://dps.mn.gov/divisions/bca/bca-divisions/mnjis/Documents/BCA-Policy-on-Appropriate-Use-of-Systems-and-Data.pdf>.

2.6 Access granted.

A. Agency is granted permission to use all current and future BCA systems and tools for which Agency is eligible. Eligibility is dependent on Agency (i) satisfying all applicable federal or state statutory requirements; (ii) complying with the terms of this Agreement; and (iii) acceptance by BCA of Agency's written request for use of a specific system or tool.

B. To facilitate changes in systems and tools, Agency grants its Authorized Representative authority to make written requests for those systems and tools provided by BCA that the Agency needs to meet its criminal justice obligations and for which Agency is eligible.

2.7 Future access. On written request by Agency, BCA also may provide Agency with access to those systems or tools which may become available after the signing of this Agreement, to the extent that the access is authorized by applicable state and federal law. Agency agrees to be bound by the terms and conditions contained in this Agreement that when utilizing new systems or tools provided under this Agreement.

2.8 Limitations on access. BCA agrees that it will comply with applicable state and federal laws when making information accessible. Agency agrees that it will comply with applicable state and federal laws when accessing, entering, using, disseminating, and storing data. Each party is responsible for its own compliance with the most current applicable state and federal laws.

2.9 Supersedes prior agreements. This Agreement supersedes any and all prior agreements between the BCA and the Agency regarding access to and use of systems and tools provided by BCA.

2.10 Requirement to update information. The parties agree that if there is a change to any of the information whether required by law or this Agreement, the party will send the new information to the other party in writing within 30 days of the change. This clause does not apply to changes in systems or tools provided under this Agreement.

This requirement to give notice additionally applies to changes in the individual or organization serving a city as its prosecutor. Any change in performance of the prosecutorial function must be provided to the BCA in writing by giving notice to the Service Desk, BCA.ServiceDesk@state.mn.us.

2.11 Transaction record. The BCA creates and maintains a transaction record for each exchange of data utilizing its systems and tools. In order to meet FBI-CJIS requirements and to perform the audits described in Clause 7, there must be a method of identifying which individual users at the Agency conducted a particular transaction.

If Agency uses either direct access as described in Clause 2.2A or indirect access as described in Clause 2.2B, BCA's transaction record meets FBI-CJIS requirements.

When Agency's method of access is a computer to computer interface as described in Clause 2.2C, the Agency must

keep a transaction record sufficient to satisfy FBI-CJIS requirements and permit the audits described in Clause 7 to occur.

If an Agency accesses data from the Driver and Vehicle Services Division in the Minnesota Department of Public Safety and keeps a copy of the data, Agency must have a transaction record of all subsequent access to the data that are kept by the Agency. The transaction record must include the individual user who requested access, and the date, time and content of the request. The transaction record must also include the date, time and content of the response along with the destination to which the data were sent. The transaction record must be maintained for a minimum of six (6) years from the date the transaction occurred and must be made available to the BCA within one (1) business day of the BCA's request.

2.12 Court information access. Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes the Court Data Services Subscriber Amendment, which upon execution will be incorporated into this Agreement by reference. These BCA systems and tools are identified in the written request made by Agency under Clause 2.6 above. The Court Data Services Subscriber Amendment provides important additional terms, including but not limited to privacy (see Clause 8.2, below), fees (see Clause 3 below), and transaction records or logs, that govern Agency's access to and/or submission of the Court Records delivered through the BCA systems and tools.

2.13 Vendor personnel screening. The BCA will conduct all vendor personnel screening on behalf of Agency as is required by the FBI CJIS Security Policy. The BCA will maintain records of the federal, fingerprint-based background check on each vendor employee as well as records of the completion of the security awareness training that may be relied on by the Agency.

3 Payment

The Agency currently accesses the criminal justice data communications network described in Minn. Stat. §299C.46. No charges will be assessed to the agency as a condition of this agreement.

If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, additional fees, if any, are addressed in that amendment.

4 Authorized Representatives

The BCA's Authorized Representative is Dana Gotz, Department of Public Safety, Bureau of Criminal Apprehension, Minnesota Justice Information Services, 1430 Maryland Avenue, St. Paul, MN 55106, 651-793-1007, or her successor.

The Agency's Authorized Representative is Janelle Kendall, County Attorney, 705 Courthouse Square, Room 448, St. Cloud, MN 56303-4701, (320) 656-3880, or his/her successor.

5 Assignment, Amendments, Waiver, and Contract Complete

5.1 Assignment. Neither party may assign nor transfer any rights or obligations under this Agreement.

5.2 Amendments. Any amendment to this Agreement, except those described in Clauses 2.6 and 2.7 above must be in writing and will not be effective until it has been signed and approved by the same parties who signed and approved the original agreement, their successors in office, or another individual duly authorized.

5.3 Waiver. If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or the right to enforce it.

5.4 Contract Complete. This Agreement contains all negotiations and agreements between the BCA and the Agency. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6 Liability

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the BCA's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat.

Ch. 466, governs the Agency's liability.

7 Audits

7.1 Under Minn. Stat. § 16C.05, subd. 5, the Agency's books, records, documents, internal policies and accounting procedures and practices relevant to this Agreement are subject to examination by the BCA, the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement. Under Minn. Stat. § 6.551, the State Auditor may examine the books, records, documents, and accounting procedures and practices of BCA. The examination shall be limited to the books, records, documents, and accounting procedures and practices that are relevant to this Agreement.

7.2 Under applicable state and federal law, the Agency's records are subject to examination by the BCA to ensure compliance with laws, regulations and policies about access, use, and dissemination of data.

7.3 If Agency accesses federal databases, the Agency's records are subject to examination by the FBI and Agency will cooperate with FBI examiners and make any requested data available for review and audit.

7.4 To facilitate the audits required by state and federal law, Agency is required to have an inventory of the equipment used to access the data covered by this Agreement and the physical location of each.

8 Government Data Practices

8.1 BCA and Agency. The Agency and BCA must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data accessible under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Agency under this Agreement. The remedies of Minn. Stat. §§ 13.08 and 13.09 apply to the release of the data referred to in this clause by either the Agency or the BCA.

8.2 Court Records. If Agency chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, the following provisions regarding data practices also apply. The Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the *Rules of Public Access to Records of the Judicial Branch* promulgated by the Minnesota Supreme Court. All parties acknowledge and agree that Minn. Stat. § 13.03, subdivision 4(e) requires that the BCA and the Agency comply with the *Rules of Public Access* for those data received from Court under the Court Data Services Subscriber Amendment. All parties also acknowledge and agree that the use of, access to or submission of Court Records, as that term is defined in the Court Data Services Subscriber Amendment, may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law. All parties acknowledge and agree that these applicable restrictions must be followed in the appropriate circumstances.

9 Investigation of alleged violations; sanctions

For purposes of this clause, "Individual User" means an employee or contractor of Agency.

9.1 Investigation. Agency and BCA agree to cooperate in the investigation and possible prosecution of suspected violations of federal and state law referenced in this Agreement. Agency and BCA agree to cooperate in the investigation of suspected violations of the policies and procedures referenced in this Agreement. When BCA becomes aware that a violation may have occurred, BCA will inform Agency of the suspected violation, subject to any restrictions in applicable law. When Agency becomes aware that a violation has occurred, Agency will inform BCA subject to any restrictions in applicable law.

9.2 Sanctions Involving Only BCA Systems and Tools.

The following provisions apply to BCA systems and tools not covered by the Court Data Services Subscriber Amendment. None of these provisions alter the Agency's internal discipline processes, including those governed by a collective bargaining agreement.

9.2.1 For BCA systems and tools that are not covered by the Court Data Services Subscriber Amendment, Agency

must determine if and when an involved Individual User's access to systems or tools is to be temporarily or permanently eliminated. The decision to suspend or terminate access may be made as soon as alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. Agency must report the status of the Individual User's access to BCA without delay. BCA reserves the right to make a different determination concerning an Individual User's access to systems or tools than that made by Agency and BCA's determination controls.

9.2.2 If BCA determines that Agency has jeopardized the integrity of the systems or tools covered in this Clause 9.2, BCA may temporarily stop providing some or all the systems or tools under this Agreement until the failure is remedied to the BCA's satisfaction. If Agency's failure is continuing or repeated, Clause 11.1 does not apply and BCA may terminate this Agreement immediately.

9.3 Sanctions Involving Only Court Data Services

The following provisions apply to those systems and tools covered by the Court Data Services Subscriber Amendment, if it has been signed by Agency. As part of the agreement between the Court and the BCA for the delivery of the systems and tools that are covered by the Court Data Services Subscriber Amendment, BCA is required to suspend or terminate access to or use of the systems and tools either on its own initiative or when directed by the Court. The decision to suspend or terminate access may be made as soon as an alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. The decision to suspend or terminate may also be made based on a request from the Authorized Representative of Agency. The agreement further provides that only the Court has the authority to reinstate access and use.

9.3.1 Agency understands that if it has signed the Court Data Services Subscriber Amendment and if Agency's Individual Users violate the provisions of that Amendment, access and use will be suspended by BCA or Court. Agency also understands that reinstatement is only at the direction of the Court.

9.3.2 Agency further agrees that if Agency believes that one or more of its Individual Users have violated the terms of the Amendment, it will notify BCA and Court so that an investigation as described in Clause 9.1 may occur.

10 Venue

Venue for all legal proceedings involving this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11 Termination

11.1 Termination. The BCA or the Agency may terminate this Agreement at any time, with or without cause, upon 30 days' written notice to the other party's Authorized Representative.

11.2 Termination for Insufficient Funding. Either party may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written notice to the other party's authorized representative. The Agency is not obligated to pay for any services that are provided after notice and effective date of termination. However, the BCA will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. Neither party will be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. Notice of the lack of funding must be provided within a reasonable time of the affected party receiving that notice.

12 Continuing obligations

The following clauses survive the expiration or cancellation of this Agreement: 6. Liability; 7. Audits; 8. Government Data Practices; 9. Investigation of alleged violations; sanctions; and 10. Venue.

COURT DATA SERVICES SUBSCRIBER AMENDMENT TO CJDN SUBSCRIBER AGREEMENT

This Court Data Services Subscriber Amendment ("Subscriber Amendment") is entered into by the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension, ("BCA") and the City of St. Augusta on behalf of its Prosecuting Attorney ("Agency"), and by and for the benefit of the State of Minnesota acting through its State Court Administrator's Office ("Court") who shall be entitled to enforce any provisions hereof through any legal action against any party.

Recitals

This Subscriber Amendment modifies and supplements the Agreement between the BCA and Agency, SWIFT Contract number 105847, of even or prior date, for Agency use of BCA systems and tools (referred to herein as "the CJDN Subscriber Agreement"). Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes this Subscriber Amendment. The Agency desires to use one or more BCA systems and tools to access and/or submit Court Records to assist the Agency in the efficient performance of its duties as required or authorized by law or court rule. Court desires to permit such access and/or submission. This Subscriber Amendment is intended to add Court as a party to the CJDN Subscriber Agreement and to create obligations by the Agency to the Court that can be enforced by the Court. It is also understood that, pursuant to the Master Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers ("Master Authorization Agreement") between the Court and the BCA, the BCA is authorized to sign this Subscriber Amendment on behalf of Court. Upon execution the Subscriber Amendment will be incorporated into the CJDN Subscriber Agreement by reference. The BCA, the Agency and the Court desire to amend the CJDN Subscriber Agreement as stated below.

The CJDN Subscriber Agreement is amended by the addition of the following provisions:

1. **TERM; TERMINATION; ONGOING OBLIGATIONS.** This Subscriber Amendment shall be effective on the date finally executed by all parties and shall remain in effect until expiration or termination of the CJDN Subscriber Agreement unless terminated earlier as provided in this Subscriber Amendment. Any party may terminate this Subscriber Amendment with or without cause by giving written notice to all other parties. The effective date of the termination shall be thirty days after the other party's receipt of the notice of termination, unless a later date is specified in the notice. The provisions of sections 5 through 9, 12.b., 12.c., and 15 through 24 shall survive any termination of this Subscriber Amendment as shall any other provisions which by their nature are intended or expected to survive such termination. Upon termination, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

2. **Definitions.** Unless otherwise specifically defined, each term used herein shall have the meaning assigned to such term in the CJDN Subscriber Agreement.

a. **“Authorized Court Data Services”** means Court Data Services that have been authorized for delivery to CJDN Subscribers via BCA systems and tools pursuant to an Authorization Amendment to the Joint Powers Agreement for Delivery of Court Data Services to CJDN Subscribers (“Master Authorization Agreement”) between the Court and the BCA.

b. **“Court Data Services”** means one or more of the services set forth on the Justice Agency Resource webpage of the Minnesota Judicial Branch website (for which the current address is www.courts.state.mn.us) or other location designated by the Court, as the same may be amended from time to time by the Court.

c. **“Court Records”** means all information in any form made available by the Court to Subscriber through the BCA for the purposes of carrying out this Subscriber Amendment, including:

e. **“Policies & Notices”** means the policies and notices published by the Court in connection with each of its Court Data Services, on a website or other location designated by the Court, as the same may be amended from time to time by the Court. Policies & Notices for each Authorized Court Data Service identified in an approved request form under section 3, below, are hereby made part of this Subscriber Amendment by this reference and provide additional terms and conditions that govern Subscriber’s use of Court Records accessed through such services, including but not limited to provisions on access and use limitations.

f. “**Rules of Public Access**” means the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court, as the same may be amended from time to time, including without limitation lists or tables published from time to time by the Court entitled *Limits on Public Access to Case Records* or *Limits on Public Access to Administrative Records*, all of which by this reference are made a part of this Subscriber Amendment. It is the obligation of Subscriber to check from time to time for updated rules, lists, and tables and be familiar with the contents thereof. It is contemplated that such rules, lists, and tables will be posted on the Minnesota Judicial Branch website, for which the current address is www.courts.state.mn.us.

The BCA is authorized in the Master Authorization Agreement to process, credential and approve such requests on behalf of Court and all such requests approved by the BCA are adopted and incorporated herein by this reference the same as if set forth verbatim herein.

a. **Activation.** Activation of the requested Authorized Court Data Service(s) shall occur promptly following approval.

b. **Rejection.** Requests may be rejected for any reason, at the discretion of the BCA and/or the Court.

c. **Requests for Termination of One or More Authorized Court Data Services.** The Subscriber may request the termination of an Authorized Court Data Services previously requested by submitting a notice to Court with a copy to the BCA. Promptly upon receipt of a request for termination of an Authorized Court Data Service, the BCA will deactivate the service requested. The termination of one or more Authorized Court Data Services does not terminate this Subscriber Amendment. Provisions for termination of this Subscriber Amendment are set forth in section 1. Upon termination of Authorized Court Data Services, the Subscriber shall perform the responsibilities set forth in paragraph 7(f) hereof.

4. SCOPE OF ACCESS TO COURT RECORDS LIMITED. Subscriber’s access to and/or submission of the Court Records shall be limited to Authorized Court Data Services identified in an approved request form under section 3, above, and other Court Records necessary for Subscriber to use Authorized Court Data Services. Authorized Court Data Services shall only be used according to the instructions provided in corresponding Policies & Notices or other

materials and only as necessary to assist Subscriber in the efficient performance of Subscriber's duties required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body. Subscriber's access to the Court Records for personal or non-official use is prohibited. Subscriber will not use or attempt to use Authorized Court Data Services in any manner not set forth in this Subscriber Amendment, Policies & Notices, or other Authorized Court Data Services documentation, and upon any such unauthorized use or attempted use the Court may immediately terminate this Subscriber Amendment without prior notice to Subscriber.

5. GUARANTEES OF CONFIDENTIALITY. Subscriber agrees:

a. To not disclose Court Confidential Information to any third party except where necessary to carry out the Subscriber's duties as required or authorized by law or court rule in connection with any civil, criminal, administrative, or arbitral proceeding in any Federal, State, or local court or agency or before any self-regulatory body.

b. To take all appropriate action, whether by instruction, agreement, or otherwise, to insure the protection, confidentiality and security of Court Confidential Information and to satisfy Subscriber's obligations under this Subscriber Amendment.

c. To limit the use of and access to Court Confidential Information to Subscriber's bona fide personnel whose use or access is necessary to effect the purposes of this Subscriber Amendment, and to advise each individual who is permitted use of and/or access to any Court Confidential Information of the restrictions upon disclosure and use contained in this Subscriber Amendment, requiring each individual who is permitted use of and/or access to Court Confidential Information to acknowledge in writing that the individual has read and understands such restrictions. Subscriber shall keep such acknowledgements on file for one year following termination of the Subscriber Amendment and/or CJDN Subscriber Agreement, whichever is longer, and shall provide the Court with access to, and copies of, such acknowledgements upon request. For purposes of this Subscriber Amendment, Subscriber's bona fide personnel shall mean individuals who are employees of Subscriber or provide services to Subscriber either on a voluntary basis or as independent contractors with Subscriber.

d. That, without limiting section 1 of this Subscriber Amendment, the obligations of Subscriber and its bona fide personnel with respect to the confidentiality and security of Court Confidential Information shall survive the termination of this Subscriber Amendment and the CJDN Subscriber Agreement and the termination of their relationship with Subscriber.

e. That, notwithstanding any federal or state law applicable to the nondisclosure obligations of Subscriber and Subscriber's bona fide personnel under this Subscriber Amendment, such obligations of Subscriber and Subscriber's bona fide personnel are founded independently on the provisions of this Subscriber Amendment.

6. APPLICABILITY TO PREVIOUSLY DISCLOSED COURT RECORDS.

Subscriber acknowledges and agrees that all Authorized Court Data Services and related Court Records disclosed to Subscriber prior to the effective date of this Subscriber Amendment shall be subject to the provisions of this Subscriber Amendment.

7. LICENSE AND PROTECTION OF PROPRIETARY RIGHTS. During the term of this Subscriber Amendment, subject to the terms and conditions hereof, the Court hereby grants to Subscriber a nonexclusive, nontransferable, limited license to use Court Data Services Programs and Court Data Services Databases to access or receive the Authorized Court Data Services identified in an approved request form under section 3, above, and related Court Records. Court reserves the right to make modifications to the Authorized Court Data Services, Court Data Services Programs, and Court Data Services Databases, and related materials without notice to Subscriber. These modifications shall be treated in all respects as their previous counterparts.

a. Court Data Services Programs. Court is the copyright owner and licensor of the Court Data Services Programs. The combination of ideas, procedures, processes, systems, logic, coherence and methods of operation embodied within the Court Data Services Programs, and all information contained in documentation pertaining to the Court Data Services Programs, including but not limited to manuals, user documentation, and passwords, are trade secret information of Court and its licensors.

b. Court Data Services Databases. Court is the copyright owner and licensor of the Court Data Services Databases and of all copyrightable aspects and components thereof. All specifications and information pertaining to the Court Data Services Databases and their structure, sequence and organization, including without limitation data schemas such as the Court XML Schema, are trade secret information of Court and its licensors.

c. Marks. Subscriber shall neither have nor claim any right, title, or interest in or use of any trademark used in connection with Authorized Court Data Services, including but not limited to the marks "MNCIS" and "Odyssey."

d. Restrictions on Duplication, Disclosure, and Use. Trade secret information of Court and its licensors will be treated by Subscriber in the same manner as Court Confidential Information. In addition, Subscriber will not copy any part of the Court Data Services Programs or Court Data Services Databases, or reverse engineer or otherwise attempt to discern the source code of the Court Data Services Programs or Court Data Services Databases, or use any trademark of Court or its licensors, in any way or for any purpose not specifically and expressly authorized by this Subscriber Amendment. As used herein, "trade secret information of Court and its licensors" means any information possessed by Court which derives independent economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. "Trade secret information of Court and its licensors" does not, however, include information which was known to Subscriber prior to Subscriber's receipt thereof, either directly or indirectly, from Court or its licensors, information which is independently developed by Subscriber without reference to or use of information received from Court or its licensors, or information which would not qualify as a trade secret under Minnesota law. It will not be a violation of this section 7, sub-section d, for Subscriber to make up to one copy of training materials and configuration documentation, if any, for each individual authorized to access, use, or configure Authorized Court Data Services, solely for its own use in connection with this Subscriber Amendment. Subscriber will take all steps reasonably necessary to protect the copyright, trade secret, and trademark rights of Court and its licensors and Subscriber will advise its bona fide personnel who are permitted access to

any of the Court Data Services Programs and Court Data Services Databases, and trade secret information of Court and its licensors, of the restrictions upon duplication, disclosure and use contained in this Subscriber Amendment.

e. Proprietary Notices. Subscriber will not remove any copyright or proprietary notices included in and/or on the Court Data Services Programs or Court Data Services Databases, related documentation, or trade secret information of Court and its licensors, or any part thereof, made available by Court directly or through the BCA, if any, and Subscriber will include in and/or on any copy of the Court Data Services Programs or Court Data Services Databases, or trade secret information of Court and its licensors and any documents pertaining thereto, the same copyright and other proprietary notices as appear on the copies made available to Subscriber by Court directly or through the BCA, except that copyright notices shall be updated and other proprietary notices added as may be appropriate.

f. Title; Return. The Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration material, if any, and logon account information and passwords, if any, made available by the Court to Subscriber directly or through the BCA and all copies, including partial copies, thereof are and remain the property of the respective licensor. Except as expressly provided in section 12.b., within ten days of the effective date of termination of this Subscriber Amendment or the CJDN Subscriber Agreement or within ten days of a request for termination of Authorized Court Data Service as described in section 4, Subscriber shall either: (1) uninstall and return any and all copies of the applicable Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration materials, if any, and logon account information, if any; or (2) destroy the same and certify in writing to the Court that the same have been destroyed.

8. INJUNCTIVE RELIEF. Subscriber acknowledges that the Court, Court's licensors, and DCA will be irreparably harmed if Subscriber's obligations under this Subscriber Amendment are not specifically enforced and that the Court, Court's licensors, and DCA would not have an adequate remedy at law in the event of an actual or threatened violation by Subscriber of its obligations. Therefore, Subscriber agrees that the Court, Court's licensors, and DCA shall be entitled to an injunction or any appropriate decree of specific performance for any actual or threatened violations or breaches by Subscriber or its bona fide personnel without the necessity of the Court, Court's licensors, or DCA showing actual damages or that monetary damages would not afford an adequate remedy. Unless Subscriber is an office, officer, agency, department, division, or bureau of the state of Minnesota, Subscriber shall be liable to the Court, Court's licensors, and DCA for reasonable attorneys fees incurred by the Court, Court's licensors, and DCA in obtaining any relief pursuant to this Subscriber Amendment.

9. LIABILITY. Subscriber and the Court agree that, except as otherwise expressly provided herein, each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be responsible for the acts of any others and the results thereof. Liability shall be governed by applicable law. Without limiting the foregoing, liability of the Court and any Subscriber that is an office, officer, agency, department, division, or bureau of the state of Minnesota shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, section 3.376, and other applicable law. Without limiting the foregoing, if Subscriber is a political subdivision of the state of Minnesota, liability of the Subscriber shall be

governed by the provisions of Minn. Stat. Ch. 466 (Tort Liability, Political Subdivisions) or other applicable law. Subscriber and Court further acknowledge that the liability, if any, of the BCA is governed by a separate agreement between the Court and the BCA dated December 13, 2010 with DPS-M -0958.

10. AVAILABILITY. Specific terms of availability shall be established by the Court and communicated to Subscriber by the Court and/or the BCA. The Court reserves the right to terminate this Subscriber Amendment immediately and/or temporarily suspend Subscriber's Authorized Court Data Services in the event the capacity of any host computer system or legislative appropriation of funds is determined solely by the Court to be insufficient to meet the computer needs of the courts served by the host computer system.

11. [reserved]

12. ADDITIONAL USER OBLIGATIONS. The obligations of the Subscriber set forth in this section are in addition to the other obligations of the Subscriber set forth elsewhere in this Subscriber Amendment.

a. Judicial Policy Statement. Subscriber agrees to comply with all policies identified in Policies & Notices applicable to Court Records accessed by Subscriber using Authorized Court Data Services. Upon failure of the Subscriber to comply with such policies, the Court shall have the option of immediately suspending the Subscriber's Authorized Court Data Services on a temporary basis and/or immediately terminating this Subscriber Amendment.

b. Access and Use; Log. Subscriber shall be responsible for all access to and use of Authorized Court Data Services and Court Records by Subscriber's bona fide personnel or by means of Subscriber's equipment or passwords, whether or not Subscriber has knowledge of or authorizes such access and use. Subscriber shall also maintain a log identifying all persons to whom Subscriber has disclosed its Court Confidential Security and Activation Information, such as user ID(s) and password(s), including the date of such disclosure. Subscriber shall maintain such logs for a minimum period of six years from the date of disclosure, and shall provide the Court with access to, and copies of, such logs upon request. The Court may conduct audits of Subscriber's logs and use of Authorized Court Data Services and Court Records from time to time. Upon Subscriber's failure to maintain such logs, to maintain accurate logs, or to promptly provide access by the Court to such logs, the Court may terminate this Subscriber Amendment without prior notice to Subscriber.

c. Personnel. Subscriber agrees to investigate, at the request of the Court and/or the BCA, allegations of misconduct pertaining to Subscriber's bona fide personnel having access to or use of Authorized Court Data Services, Court Confidential Information, or trade secret information of the Court and its licensors where such persons are alleged to have violated the provisions of this Subscriber Amendment, Policies & Notices, Judicial Branch policies, or other security requirements or laws regulating access to the Court Records.

d. Minnesota Data Practices Act Applicability. If Subscriber is a Minnesota Government entity that is subject to the Minnesota Government Data Practices Act, Minn.

Stat. Ch. 13, Subscriber acknowledges and agrees that: (1) the Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court; (2) Minn. Stat. section 13.03, subdivision 4(e) requires that Subscriber comply with the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court for access to Court Records provided via the BCA systems and tools under this Subscriber Amendment; (3) the use of and access to Court Records may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law; and (4) these applicable restrictions must be followed in the appropriate circumstances.

13. FEES; INVOICES. Unless the Subscriber is an office, officer, department, division, agency, or bureau of the state of Minnesota, Subscriber shall pay the fees, if any, set forth in applicable Policies & Notices, together with applicable sales, use or other taxes. Applicable monthly fees commence ten (10) days after notice of approval of the request pursuant to section 3 of this Subscriber Amendment or upon the initial Subscriber transaction as defined in the Policies & Notices, whichever occurs earlier. When fees apply, the Court shall invoice Subscriber on a monthly basis for charges incurred in the preceding month and applicable taxes, if any, and payment of all amounts shall be due upon receipt of invoice. If all amounts are not paid within 30 days of the date of the invoice, the Court may immediately cancel this Subscriber Amendment without notice to Subscriber and pursue all available legal remedies. Subscriber certifies that funds have been appropriated for the payment of charges under this Subscriber Amendment for the current fiscal year, if applicable.

14. MODIFICATION OF FEES. Court may modify the fees by amending the Policies & Notices as provided herein, and the modified fees shall be effective on the date specified in the Policies & Notices, which shall not be less than thirty days from the publication of the Policies & Notices. Subscriber shall have the option of accepting such changes or terminating this Subscriber Amendment as provided in section 1 hereof.

15. WARRANTY DISCLAIMERS.

a. WARRANTY EXCLUSIONS.
