ORIGINAL REPORT SCHWINGHAMMER, ETHAN D 25353

Deputy Ethan Schwinghammer:

On 09/23/2022 at approximately 2000 hours, CRI21-01 and I went inside the St. Augusta American Legion at the address of 1894 247th Street in the City of St. Augusta to conduct an alcohol compliance check. Both of us were wearing civilian clothes. We walked inside and sat at the bar closest to the door. I sat to the left of CRI21-01 and we were approached by a male server from behind the bar. There was a medium crowd in the bar and there were people sitting to the left of us. The male server was later fully identified as Mathew Warren Winans, DOB

Winans came up to both of us and asked what we would like. I told Winans I would have a Busch Light. Winans looked at CRI21-01 and she told him she would like a Coors Light. Winans then grabbed a Busch Light and a Coors Light and took the caps off of them and placed them in front of us. He initially asked us if we wanted to start a tab and CRI21-01 told him that we would. After Winans walked away, I told CRI-21-01 that we needed to close the tab immediately and complete the sale in order for it to be a sale. I then called Winans back to us and told him that we would pay now. CRI21-01 grabbed a \$20 bill from the cash that was given to her for the alcohol compliance check and used it to pay for the beers. CRI21-01 handed the money to Winans and Winans walked to the cash register and tendered the transaction. Winans then returned and placed \$11.50 on the table. The total cost of the two beers was \$8.50. After Winans placed the money on the table, he left to do other bartender duties.

I told CRI21-01 to go to the car and she left the establishment while leaving the beer she had purchased on the counter. I waved down Winans and asked him if he could step outside with me for a second as I showed him my badge. We stepped outside into the entryway and I identified myself as a deputy with the Stearns County Sheriff's Office. I told Winans that we had been conducting an alcohol compliance check and that her had sold to an underage person. I asked for his driver's license and he provided it to me. He also provided a manager by the name of John Hennessey, phone **Stearns County** I again explained to Winans that we were doing a compliance check and that CRI21-01 was underage. I told Winans of the process and told him a report would be forwarded to the Stearns County Attorney's Office for consideration of charges and that he would receive further information at a later time. I asked him if he had any further questions for me and he said he did not.

09/23/2022

We went back into the establishment and I took the beer that had been served to CRI21-01 and took it for evidence. I told Winans he could dump the other beer and that the business would keep the money. I then left the establishment.

When we returned to our vehicle that we were using, I took a sample of the Coors Light beer that had been served to CRI21-01 and placed it in a liquid evidence container. It was then placed in a plastic bag and sealed. I later transported this sample to the Stearns County Sheriff's Office and logged it into the PMI Evidence system in relation to this case.

CRI21-01 had been fully identified by Minnesota driver's license and had completed a Stearns County Confidential Informant sheet prior to the alcohol compliance check taking place. CRI21-01 was 20 years of age and was given a preliminary breath test prior to doing any alcohol compliance checks and registered a BAC of .000. She was then PBT'd again after compliance checks and again registered a BAC of 0.000. I had asked CRI21-01 if she had any cash on her prior to me giving her the cash for the compliance checks and she said she did not and I confirmed this by having her empty her pockets. I also did not see CRI21-01 consume any alcohol during compliance checks.

This report will be sent over to the Stearns County Attorney's Office for charges of selling alcohol to a minor, in violation of MSS 340A.503.2(1).

ORIGINAL REPORT SCHWINGHAMMER, ETHAN D 25353

09/23/2022

Deputy Ethan Schwinghammer:

On 09/23/2022 at approximately 1900 hours, CRI21-01 and I went into St. Augusta Mini Serve liquor store, located at the address of 24876 County Road 7 in the city of St. Augusta to conduct an alcohol compliance check. Both of us were wearing civilian clothes.

We both started walking around the liquor store and I had seen a group of customers near the entrance to the store when we walked in. After we walked past them, they then left and it was only the clerk, one other person and the two of us in the liquor side of the store. I browsed items while CRI21-01 brought a 12 pack of Coors Light to the counter and attempt to buy it. I had seen the employee ask for CRI21-01's identification. I then started to walk out the door and as I was doing this, I observed the employee continue on with the transaction and eventually complete it. I saw the employee place the money on the counter and I told CRI21-01 that she could leave with the 12 pack and go to the car.

I approached the employee, who was fully identified as Jennifer Moreno, DOB I showed her my badge and identified myself as a Deputy with the Stearns County Sheriff's Office. I told her that we were conducting alcohol compliance checks and that she had just failed a test. Moreno immediately said that she had asked for CRI21-01's identification, but CRI21-01 said she had left it at home. I asked Moreno what she did then and she said she told CRI21-01 that it was okay and continued with the transaction anyway.

Moreno told me her manager was in the store and I had the manager come back over to the liquor side of the store. Jennifer identified the manager verbally as Jennifer Lee Johnstone, DOB . I had Johnstone come to the liquor store area of the store and advised her of the alcohol compliance check and told her her employee had failed.

I learned the transaction amount was for \$14.31. I told Moreno and Johnstone of the process and that a report would be sent to the Stearns County Attorney's Office for consideration of charges and that they would be kept updated throughout the process. I told them the sheriff's office would retain the alcohol sold as evidence and that the business would retain the money used for the sale. I asked if they had any questions and they said they did not. I then left the establishment.

I then transported the 12-pack of Coors Light to the Stearns County Sheriff's Office. I packaged it as-is and did not open the case. I placed it into evidence and logged it into the PMI Evidence system.

CRI21-01 was fully identified by Minnesota Driver's license and had completed a Stearns County Confidential Informant sheet prior to conducting this alcohol compliance check. CRI21-01 was 20 years of age and had been given a preliminary breath test prior to completing alcohol compliance checks and registered a BAC of .000. She as then PBT'd after the compliance checks and again registered a BAC of .000. I did not see CRI21-01 consume any alcohol during the compliance checks.

Charges will be sent to the Stearns County Attorney's Office for charges of selling to minor, in violation of MSS 340A.503.2(1).
