

SECTION 25. HOME OCCUPATIONS

Subdivision

- 25.01 Purpose
- 25.02 Application
- 25.03 Procedures and Permits
- 25.04 Requirement; General Provisions
- 25.05 Non-Conforming Uses
- 25.06 Inspection
- 25.07 Revocations

25.01 PURPOSE: The purpose of this Section is to provide a means through the establishment of specific standards and procedures by which home occupations can be conducted without jeopardizing land use harmony and compatibility, and the health, safety and general welfare of the surrounding neighborhood. In addition, this Section is intended to provide a mechanism enabling the distinction between permitted home occupations and interim or customarily "more sensitive" home occupations, so that permitted home occupations may be allowed through an administrative process rather than a legislative hearing process.

25.02 APPLICATION: Subject to the Non-Conforming Use Section and other applicable provisions of this Ordinance, all occupations conducted in the home shall comply with the provisions of this Ordinance. This Section shall not be construed, however, to apply to home occupations related to farming.

25.03 PROCEDURES AND PERMITS:

A. Permitted Home Occupations:

1. "Permitted home occupations", as defined in this Ordinance, shall be considered permitted accessory uses in the City's agricultural and residential zoning districts and shall comply with the provisions of Section 25.04.A and 25.04.B of this Ordinance.

B. Interim Home Occupations:

1. Qualification: Any home occupation which does not meet the specific requirements for a "permitted home occupation" as defined in this Section shall require an "interim home occupation permit" which shall be applied for, reviewed and disposed of in accordance with the procedural provisions of

Section 5 of this Ordinance.

2. Declaration of Conditions: The City Council may impose such conditions on the granting of an "interim home occupation permit" as may be necessary to ensure compatibility and to carry out the purpose and provisions of this Section.
3. Effect of Permit: An "interim home occupation permit" may be issued for a period of one (1) year after which the permit may be reissued for periods of up to three (3) years each. Each application for permit renewal shall be processed and subject to the approval of the Zoning Administrator, except in cases where written complaints have been received concerning the operation or where there has been a change in conditions or violation, a renewal shall be processed in accordance with the procedural requirements of the initial interim home occupation permit.
4. Transferability: Home occupation permits shall not run with the land and shall not be transferable.
5. Renewal of Permit: An applicant shall not have a vested right to a permit renewal by reason of having obtained a previous permit. In applying for and accepting a permit, the permit holder agrees that the monetary investment in the home occupation will be fully amortized over the life of the permit and that a permit renewal will not be needed to amortize the investment. Each application for the renewal of a permit will be reviewed without taking into consideration that a previous permit has been granted. The previous granting or renewal of a permit shall not constitute a precedent or basis for the renewal of a permit.

25.04 REQUIREMENT; GENERAL PROVISIONS: All home occupations shall comply with the following general provisions and according to definition, the applicable requirement provisions.

A. General Provisions:

1. No home occupation shall produce light, glare, noise, fumes, odor, or vibration that will in any way have an objectionable effect upon adjacent or nearby property.

receivers off the premises or causes fluctuations in the voltage off the premises.

Except in the case of State licensed day care facilities, any home occupation shall be clearly incidental and secondary to the residential use of the premises, not more than ten (10) percent of the floor area of the dwelling unit shall be permanently set aside to be used in the conduct of the home occupation. 6. The home occupation shall meet all applicable fire and building codes.
7. There shall be no exterior display or exterior signs or interior display or interior signs which are visible from outside the dwelling with the exception of directional and identification/business signs to the extent authorized by the provisions of Section 31 of this Ordinance.

9. No home occupation shall be conducted between the hours of 10:00 PM and 7:00 AM unless approved by the City Council.

11. No home occupation (permitted or interim) shall involve any of the following: body shops, welding, ammunition manufacturing, flea markets, motor vehicle sales or repairs, massage or escort business or other sexually oriented

demand through utilization of on-street parking. In such cases where on-street parking facilities are necessary, however, the Zoning Administrator shall maintain the right to establish the maximum number of on-street spaces permitted and increase or decrease that maximum number when and where changing conditions require additional review.

25.05 NON-CONFORMING USE: Existing home occupations lawfully existing on June 2, 1998 may continue as non-conforming uses.  4. Such time as License Expires: At such time that the City has cause to believe that any of the events listed in 1, 2 or 3 above have taken place, the City shall immediately notify the permit holder of the allegations of violation and the necessary corrections required to bring the license into compliance.
