Authorized Signature of Owner / Owner's Agent

# APPLICATION FOR STORMWATER PERMIT

City of St. Augusta

The permit authorizes, subject to terms and conditions of the ordinance, land disturbance and the discharge of stormwater.

No land disturbance or discharge of stormwater shall occur without first obtaining a permit from the City. Such runoff shall be properly managed in accordance with the City Stormwater Management Design Standards.

Applicability: No land shall be disturbed, excavated, or developed and no use shall be permitted that results in water runoff causing pollution, flooding, erosion, or deposit of minerals on adjacent properties. Such runoff shall be properly managed in accordance with this ordinance and the City of St. Augusta ("City") Stormwater Management Design Standards.

Permit Required:	<ol style="list-style-type: none"> <li>All land disturbance and/or construction activity that disturbs land of equal to or greater than five thousand (5,000) square feet <b>or</b></li> <li>A common plan of development of sale that disturbs land of equal to or greater than five thousand (5,000) square feet <b>or</b></li> <li>As deemed necessary by the City to safeguard person, protect property, and prevent degradation to the environment in the City shall require a Stormwater Management Permit from the City.</li> </ol>
Permit NOT Required:	<ol style="list-style-type: none"> <li>Any emergency activity that is immediately necessary for the protection of life, property or natural resources.</li> <li>Nursery, home gardening, and agricultural operations conducted as a permitted main or accessory use.</li> <li>Maintenance work conducted by City of St. Augusta employees.</li> </ol>

### Review / Approval Process:

- Application submitted, reviewed for content and deemed complete.
- Technical review by City Engineer and/or other technical advisors.
- Applicant submits project information to applicable state / federal regulators as necessary.
- Recommendations for permit decision brought to City Council / Zoning Administrator for final action.
- City issues decision:
  - Approve the permit application
  - Approve the permit application subject to such reasonable conditions as may be necessary to secure substantially the objectives of this regulation, and issue the permit subject to these conditions
  - Disapprove the permit application, indicating the reason(s) and procedure for submitting a revised application and/or submission.
